Chemistry Week)

American Chemical Society—Cincinnati Section

OCTOBER 22-28, 2006

Cincinnati's American Chemical Society is hosting various activities and demonstrations on the topic of "Your Home—It's All Built on Chemistry" at the Cincinnati Museum Center, local libraries, and schools. Come join in on the fun and excitement as we explore the use of science to build our homes.

**Recommended for Ages 6-12, but
ALL are welcome.**
